

Equine Rotating Internship- Goulburn Valley Equine Hospital

Goulburn Valley Equine Hospital located in Congupna, (Shepparton), Victoria, Australia has an opportunity for Intern Veterinarian's to join our specialist equine practice, commencing July 2020 for one year (13 months), finishing in August 2021.

The rotating internship programme at Goulburn Valley Equine Hospital has been running for many years and has provided many graduates with significant exposure, training and experience in all areas of equine internal medicine, surgery and reproduction.

The hospital caseload is busy and diverse, with an equal mix of referral and first opinion cases. During the season, the hospital admits approximately 100 sick neonates for intensive care. Interns participate in a rotating roster through surgery, outpatients, reproduction, medicine, anaesthesia and night duty, working under specialists in equine surgery, equine reproduction and internal medicine, and their associated residents.

The successful applicant must possess a veterinary degree registerable with the Veterinary Practitioners Board of Victoria, Australia.

New graduates are encouraged to apply, as well as any recent graduate wanting to gain more equine experience.

For more information or to forward an application (Resume and Letter of Application) please email the practice manager, Robert Ralston on robert.ralston@gvequine.com.au or Dr Stacey Sullivan on stacey.sullivan@gvequine.com.au

The closing date for applications is Wednesday 27th May 2020.
