

**Seasonal nursing position- Goulburn Valley Equine Hospital, Shepparton,  
Victoria, Australia**

Goulburn Valley Equine Hospital is one of the busiest equine referral hospitals in the Southern hemisphere. We have specialists in equine medicine, surgery and reproduction with the hospital, ambulatory and reproduction services collectively see over 4000 cases annually. The hospital provides a stimulating environment training residents, interns and final year veterinary students all year round. During the season, approximately 100 equine neonates are admitted to the hospital for intensive care.

GVEH is seeking a seasonal equine nurse to work within the hospital from September 2020 to January 2021. The position will involve rotations through surgery, medicine (day and night shift ICU) and outpatients, with the successful applicants integrating into the existing 5-person nursing team.

A great attitude and good horse handling skills are essential for the position, with equine nursing experience or qualifications desirable. A strong team work ethic and the ability to work with minimal supervision are essential. The position is full time and involve some afterhours and night shifts on a shared, rotating schedule. An attractive salary will be offered to the right candidate.

Applications close Friday June 19<sup>th</sup> 2020. For further information or to forward your application letter and resume please contact [robert.ralston@gvequine.com.au](mailto:robert.ralston@gvequine.com.au)
