Recipient mares for Embryo Transfer

Payment of the recipient mare lease is due and payable on 45-day pregnancy test. The fee of the recipient mare includes all drugs and pregnancy scans provided by GVEH up to and including the 45-day pregnancy scan. Agistment will be charged at \$18.00 per day for the recipient after 45-day pregnancy scan and billed to your account. Any treatment the recipient mare may require after the 45-day positive scan will be discussed.

It is the client's responsibility to provide transport for the recipient mare once the mare has been scanned 45-days in foal. Please notify the Reproduction Department a minimum of 24 hours before you have the recipient mare collected, if she is being collected on the weekend, please call on the Thursday before the weekend so that we can have her ready for departure.

It is the client's responsibility to take care of the recipient mare and return her to Goulburn Valley Equine Hospital. Unless otherwise arranged, the recipient mare will only be returned between July and September after the foal has been weaned. The cost of transport to and from GVEH for the recipient mare is the owner of the embryo's responsibility. The client is responsible for any agistment that the recipient mare may incur while away from GVEH. Please notify the office if the mare is ill, injured or loses the pregnancy or the foal dies. If the recipient mare contracts strangles, ringworm or any contagious diseases please notify the office. If the recipient mare is severely injured or dies, a vet certificate must be supplied to Goulburn Valley Equine Hospital, or a non-return fee will be charged to your account. The recipient mare must be returned in an acceptable condition.

GVEH will not be held responsible for any accounts payable for vet bills, transport or agistment due for the recipient mare during the lease period – this is the sole responsibility of the embryo's owner or agent as signed below.

By signing below, I agree to the terms set out by Goulburn Valley Equine Hospital in relation to this contract.
